You can enjoy better health right now without prescription drugs with this comprehensive health and wellness guide for mind, body, and spirit. This is the complete guide to different types of alternative medical concepts, different processes and techniques along with a variety of healing devices. Most mainstream medical doctors believe in the old adage that you can't unbreak the mirror, so they try to glue your health back together with drugs. Learn about devices from Edgar Cayce's Radiac to the newest cold laser technology. Hear from real people who have experienced these therapies and products. Find out how to maximize your wellness and prevent illness. *UnBreak Your Health(TM)* offers proven healing techniques from the most modern innovations to ancient therapies 5,000 years old. With over 300 listings in 138 categories, this is the most complete book ever published on complementary and alternative therapies. (There is only one short paragraph on diets and supplements, however, since there are so many books already published on the subject.) This new book focuses on therapies, systems and devices. Many topics also have accompanying podcast interviews with leaders and innovators in the CAM field. What People Are Saying About *UnBreak Your Health*: At least 85% of the time Complementary...
