Is your resume failing to get you interviews? You need to stand out on paper and in person in order to Get Noticed and Get Hired. Going through a period of unemployment can be one of life's most stressful situations. In many cases it seems to trigger a domino effect of pressures and strains ranging from emotional to financial to relational. Television and news reports are filled with stories about people who have sent out hundreds of resumes without getting a single interview. Many who have made it to the interview stage are shocked not to be selected even though they had the right experience and skill sets necessary for the position. In Get Noticed Get Hired, veteran corporate executive Steve Matter delivers an entire workbook for directing you from job loss to becoming empowered and employed. This book is filled with action steps, resources and strategies to help you focus and prepare for your journey back into the workplace. Take action and follow a path to: - Get through the emotional upheaval - Build your support team - Network effectively - Prepare a magnetic resume that attracts employers to you - Be self-assured, positive and prepared for your interview - Learn the different personality styles of managers - Set the stage to become a Most Valuable Employee - Decide if you should go in to business for yourself or return as an employee - Rebuild your confidence, attitude and belief in yourself - Stand out on paper and in person Read it, apply it and start on the path back to the workforce.
