Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The study identified several factors that Alaska State Troopers can address in order to increase the rate of successful legal resolutions. Three factors significantly increased the odds of both referral and acceptance; documenting multiple sex acts more than tripled the odds of referral and almost quadrupled the odds of acceptance. Closing cases within 2 weeks increased the odds of referral by a factor of 1.6 and increased the odds of acceptance by a factor of 3.7. The odds of referral were tripled when the suspect had multiple charges, and the odds of acceptance were doubled when the suspect had multiple charges. Four additional factors significantly increased the odds of referral: collecting physical evidence or DNA from the suspect, tape recording the suspect, tape recording the victim, and building victim cooperation. Other factors that increased the odds of acceptance were taking photos of the assault scene, interviewing the suspect within 3 days, finding inconsistencies in statements by the suspect, and having a local paraprofessional as the first responder. There was no evidence of under-enforcement in rural areas for the...
