Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

LEARN AMERICA: UNITING THE STATES

Createspace. Paperback. Book Condition: New. Hussein Freeman (illustrator). This item is printed on demand. Paperback. 77 pages. Learn America is a quick and easy learning tool intended to aid in the fastest memorization of every state of America through word, object and cultural association. You dont have to be a prodigy or genius to memorize all of those square and rectangular mid-western states, including all the little bunched up states in the north eastern sector, in as little as 30 minutes review time. With additional repetition anyone can quickly develop the ability to name all fifty states purely from memory, without reference to maps or the aid of state identifiers. Its great for family interaction, improving recall memory, and even developing your ability to concentrate and increase focus. We hope you find it to be a great way to increase your knowledge and awareness of our nations great union and boost your self-confidence. This item ships from La Vergne,TN. Paperback.
