

Number One World Facts: A Great Knowledge Book for Kids

By Thebrothers Publishing

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book teaches children facts that are somehow related to the number ONE, and this association makes it easy for them to remember the facts. Jane Jones Wrote: The uses of the book for preschool children to use to each about their self-image, body parts to start an art lesson for a self-portrait or to talk about some of the animals in the book for a science lesson integrated into a literacy lesson about a book that is a fact book or non-fiction. The creative preschool teacher could use this little book to trigger many hands-on activities to foster higher level thinking skills and problem solving. Tip for Parents: Read it to your kids, explain them, show them examples !!! They WILL LOVE IT Few Words from TheBrothers As parents we want the best for our children. This book is about acquiring knowledge. We wrote this book in a very unique, fun and interesting way in order to enable you, as a parent, to read, learn and explain these new facts to your children. It took us a...

Reviews

Merely no words to explain. I really could comprehend everything out of this published e ebook. I found out this publication from my dad and i suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Gilbert Stroman
