Pub Date: November 2012 Pages: 485 Language: Chinese. English in Publisher: Foreign Language Teaching and Research Press Anyang excavations from the start. the aim is to rediscover the ancient Chinese written history. instead of looking for the art treasures or treasure. Thus Anyang story is from the discovery of the keel engraved with ancient Chinese text really started. This Dr. Li Ji describes this discovery on all aspects of how attainable. and describes some of the main characters involved. These so-called keel is identified by soothsayer carved turtle shells or cattle scapula inscriptions of divination in God. these treasures on the famous oracle bones. one seeking more word oracle bones. the lettering into Modern Man's boom also will rise. For centuries. the Chinese science has been focused on the research of the classical works fine. many scholars eager to understand the content of the oracle bones asked. suggesting the possible answers. To properly explain the meaning of these words. all records of the ancient archaeological excavations made by the discovery of oracle bones and qualified scholars need to be linked. This poses a serious problem. because the Chinese scholars should stay in the den. engaged in manual work is deemed scholarship disproportionate. Therefore. to make the Anyang investigated a possible social and material must be adjusted. which requires Chinese academia and society to a revolution. Fortunately. China has well prepared to. in the absence of the new culture of the social and ideological change. Anyang excavation is not possible to achieve. Therefore. Anyang tours generate social change. subject to the changing political situation throughout.
