

National Demonstrative Higher Vocational School project deliverables series of chemical synthesis: Analytical Chemistry [Paperback]

By LI XIAO YAN

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback Pages Number: 154 Language: Simplified Chinese Publisher: China Light Industry Press; 1st edition (January 1. 2012) Contents: Analytical Chemistry overview of the learning modules. the basic operation of analytical chemistry learning objectives necessary knowledge. analysis basic operation of the balance. titration analysis of the basic operation of three error theory. the basics to expand knowledge of potential analysis of the quantitative method introduces the basic principles of exercise learning unit two acid-base titration learning objectives necessary knowledge. titration analysis. acid-base titration standard solution and calibration of four buffer solution. the basic calculation of six. the application of the acid-base titration to expand the knowledge of UV-visible spectrophotometry. exercises learning units coordinate titration learning objectives necessary knowledge. with the titration France overview of the nature of EDTA complexes of EDTA ligand dissociation and impact factors and four metal indicator five. six of the ligand titration with the titration conditions. application to expand the knowledge of the ligand titration atomic absorption spectrometry introduce exercises learning modules four redox titration learning objectives necessary knowledge. redox equilibrium. oxidation-reduction titration 3. four of...

Reviews

The most effective pdf i possibly read. It is amongst the most amazing publication i actually have go through. You are going to like the way the author publish this pdf.

-- **Chelsea Durgan PhD**

I actually started off looking over this pdf. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
