Preliminary Remarks. --The main object of the series of articles of which this is the first, is to continue the work entitled Electromagnetic Induction and its Propagation, commenced in The Electrician on January 3, 1885, and continued to the 46th Section in September, 1887, when the great pressure on space and the want of readers appeared to necessitate its abrupt discontinuance. (A straggler, the 47th Section, appeared December 31, 1887.) Perhaps there were other reasons than those mentioned for the discontinuance. We do not dwell in the Palace of Truth. But, as was mentioned to me not long since, There is a time coming when all things shall be found out. I am not so sanguine myself, believing that the well in which Truth is said to reside is really a bottomless pit. The particular branch of the subject..
