ANALYZING THE PSALMS: WITH EXERCISES FOR BIBLE STUDENTS AND TRANSLATORS

Summer Institute of Linguistics. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 10.7in. x 8.3in. x 0.7in. Analyzing the Psalms: With Exercises for Bible Students and Translators The purpose of this textbook is to introduce Bible students and translators to the basic compositional structure and literary style of Hebrew poetry, especially the lyric-liturgical poetry found in the Book of Psalms. Wendland follows a discourse analysis approach--examining different aspects of the poetic texts as an integrated whole. His primary focus is upon the formal features of the psalms, but elements of content (key terms) and function (psalm types or genres) also receive due consideration.

TABLE OF CONTENTS

1. Introduction to the Book of Psalms

1. 1 The origin of the word psalms
