Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

A REVISE COPY OF EQUAL RIGHTS MY EYE

Paperback. Book Condition: New. Paperback. 368 pages. I like to take a moment to explain why it was so important for me to take the time out to revise this book over again. This was my first book that I wrote and is my three attempt because it were not getting the exposures like I feel it should have gotten at that time when it was published. I realized at that time my writing were bad for someone who would attempt to try and read it, it would have been hard for them to understand what I were trying to say. But I try to attempt to hirer a person that was refer to me from the publishing company that published my first Equal Rights My Eye with. For what was asked from him, from me to retain him, I though that they suppose to be doing my editing and proof reading for me. They receive their pay that they ask for and did the editing and scanning documents in my manuscript but never taking the time to proof read or refer me to anyone. Maybe they did not like what I wrote in the book and by leaving the book in a way that it would be hard for the readers to understand it, which will make anybody that paying for a book will not pick up and buy a book that was so poorly done. This is why its so important for me to try and do it all over again because I really feel that the American people need to know what have taking place in our country that the news media will never report to us, and other countries about the troubling things that our government allow us to go through, that our Constitution of the...
