Random House USA Inc, United States, 2013. Hardback. Book Condition: New. 236 x 147 mm. Language: English . Brand New Book. The world's economic center of gravity has shifted. Permanently. Do you know what it now takes to succeed? The global tilt is nothing less than an irreversible shift of economic power--jobs, wealth, and market opportunities--from a small part of the world to its entirety. These businesses will soon be competing with yours everywhere on the planet, even if you're not aware of them yet. Finding opportunities of your own requires you to consider vastly different perspectives and to see the new global landscape in its entirety and then change the content of your work to pursue them. Instead, look outside-in and future-back, determine the capabilities you need...
