Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Willi-Waw lay in the passage between the shore-reef and the outer-reef. From the latter came the low murmur of a lazy surf, but the sheltered stretch of water, not more than a hundred yards across to the white beach of pounded coral sand, was of glass-like smoothness. Narrow as was the passage, and anchored as she was in the shoalest place that gave room to swing, the Willi-Waw s chain rode up-and-down a clean hundred feet. Its course could be traced over the bottom of living coral. Like some monstrous snake, the rusty chain s slack wandered over the ocean floor, crossing and recrossing itself several times and fetching up finally at the idle anchor. Big rock-cod, dun and mottled, played warily in and out of the coral. Other fish, grotesque of form and colour, were brazenly indifferent, even when a big fish-shark drifted sluggishly along and sent the rock-cod scuttling for their favourite crevices.
