"You should have seen the one that got away." People love to tell stories of their fishing adventures. When it comes to faith, however, most people clam up. Why is it we can't talk about what God has done in our lives as naturally as we can spin fishing tales? In this six-session companion study guide to the Go Fish DVD, Andy Stanley explores the motivation behind sharing our faith. Discover God's heart for those who don't know Him and the role that we can play in introducing others to Him. Along the way you will be equipped with tools that will help you make sharing your faith a natural part of your life. This study guide is complete with a leader's guide and six lessons, including conversation-starting exercises, discussion questions, and application steps.
