Executive Coach Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Fast-paced, funny, and smart. This novel puts you into the world of a young MBA striving to succeed at a famous high-tech company. Brash and confident yet comically inept, Tony clashes with colleagues, clients, and even his biggest supporters. He fires his most loyal employee, derails the career of his only friend, and nearly destroys his young marriage before transforming from chilly corporate collaborator to empathetic executive coach. Laugh and learn as his clients turn criminal, corporations collapse, and compassion triumphs. Veteran executive coach Tony Mayo draws on his years inside Arthur Andersen, Wall Street, and MCI to share a moving story that explains why your 401k shrank, your house is underwater, and your job stinks. The comedy and conflict illustrate management methods and personal practices that can improve your career and deepen your personal relationships. Author's Foreword In the 1980s, I was a minor participant in major trends that would blow up the world economy in 2008, determine the dehumanizing workplace culture of today, and establish the Wall Street plutocracy that still guides governments and blames the poor for the plight of the middle class. Our descent began in the eighties, from endless e-mails to mind-numbing meetings, deregulated banks to defunded pensions, mortgage-backed securities to job insecurity, hedge fund royalty to vanishing loyalty, private equity to income inequality, even Starbucks ubiquity and business books vacuity. I reluctantly admit that I eagerly supported every aspect of it. I ate the dog food and drank the Kool-Aid(TM). I believed in and tried to practice the free market economics and financial engineering I had been taught at the University of Chicago. I worked nights and weekends at...
