Psychometric Testing: 1000 Ways to Assess Your Personality, Creativity, Intelligence and Lateral Thinking

By Philip J. Carter, Ken Russell

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Psychometric Testing: 1000 Ways to Assess Your Personality, Creativity, Intelligence and Lateral Thinking, Philip J. Carter, Ken Russell, More and more employees are having to sit psychometric tests as part of the interviewing process. On paper, a person's skills and experience may perfectly fit the job description, but the employer also wants to know things about the individual's personality: for example, their weak and strong points; whether they will fit in with the department; whether they can retain information quickly; and whether they have management potential or whether they will always require supervision. This book is designed to help the individual master taking psychometric tests, and help them decide, before applying for a job, what their individual personality type is -- extrovert, emotional, creative or assertive. Working through the tests will give the reader the ability to improve their skills in the key areas of lateral thinking, problem solving, and intelligence, and the book also provides a guide to assessing performance. A familiarity with the type of questions set in psychometric tests will give readers an idea of what to expect, and will help them relax in...
