Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

African American Images. Paperback. Book Condition: new. BRAND NEW, How to Teach Math to Black Students: Student Workbook, Shahid Muhammad, Ideal for classroom use, this companion to the teachers' textbook of the same name is geared toward African American students who have difficulty with math. The culturally relevant word problems aim to raise the racial achievement gap in mathematics by instilling confidence in struggling black students and to teach math in a less sterile, theoretical way. By invoking critical thinking skills, the workbook presents an essential understanding to basic math functions that can revolutionise a child's ability to progress through upper grades.
