

Budget and Spending: Issues Related to Dots Fiscal Year 1991 Budget Request: T-Rced-90-72

Filesize: 8.36 MB

Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

BUDGET AND SPENDING: ISSUES RELATED TO DOTS FISCAL YEAR 1991 BUDGET REQUEST: T-RCED-90-72

Bibliogov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 22 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. GAO discussed the Department of Transportation's fiscal year 1991 budget request, focusing on the: (1) Federal Aviation Administration's (FAA) systems modernization programs; (2) Federal Highway Administration's Interstate Highway Program; and (3) National Railroad Passenger Corporation's (Amtrak) Revenue Enhancement Program. GAO noted that: (1) most of the FAA modernization projects experienced development and installation delays that, in turn, required interim projects to upgrade existing systems; (2) FAA did not properly plan and assess its needs before seeking modernization funds; (3) FAA did not identify the human resources needed to implement modernization projects, and insufficient staff would cause further delays in installing and testing equipment and training personnel; (4) FAA will not meet its staffing goals for air traffic controllers, inspectors, and maintenance technicians, and its training initiatives are falling behind schedule; (5) over 40 percent of interstate system pavement was in poor or fair condition; (6) about half of interstate preservation funds will be used for lane widening, a much larger percentage than previously anticipated; and (7) Amtrak's revenue enhancement activities will not cover its operating losses and capital needs. This item ships from La Vergne, TN. Paperback.
