Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Kensington Publishing. Paperback. Book Condition: new. BRAND NEW, The Plague of the Undead, Joe McKinney, A Handful Of Survivors: For thirty years, they have avoided the outbreak of walking death that has consumed America's heartland. They have secured a small compound near the ruins of Tulsa, Oklahoma. Isolated from the world. Immune to the horror. Blissfully unaware of what lies outside in the region known as the Dead Lands. Until now. A New Generation Of Explorers: Led by a military vet who's seen better days, the inexperienced offspring of the original survivors form a small expedition to explore the wastelands around them. A biologist, an anthropologist, a photographer, a salvage expert--all are hoping to build a new future the rubble, which they call the "Dead Lands." Until all hell breaks loose. A Land Of Death: The infected are still out there. Stalking. Feeding. Spreading like a virus. Wild animals roam the countryside, hunting prey. Small pockets of humanity hide in the shadows: some scared, some mad, all dangerous. This is the New World. If the explorers want it, they'll have to take it. Dead or alive.
