Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

A MATADOR S CODE

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In the 2009 The United States developed 30,000 pound MOP bomb, a massive non-nuclear bomb that could smash through ten feet of solid concrete; and they gave two of these bombs to Israel as a deterrent to the nuclear build-up in Iran. These were good intentions of the U.S., but Israel had no way of delivering the bombs so the deterrent capability was useless. Then the Israelis learned, through Mossad about Mikael s desire to defect; and he was the pilot for the M-8 Stealth Bomber. A plan was made to make it appear that the M-8 crashed in the Mediterranean during a secret test mission. Next the bomb was dropped on the Iranian nuclear facility. But the Iranians could not figure out how the explosion was delivered; soon they believed that Israel had a secret invisible force.
