Traits of American Indian Life and Character: By a Fur Trader

By Peter S Ogden

COSIMO CLASSICS, United States, 2009. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.This curious book, first published in 1853, offers sketches and anecdotes illustrative of life on the wild borders of the Pacific and of the savage tribes that did business with the Hudson s Bay Company. Canadian explorer PETER SKENE OGDEN (1794-1854), a Hudson s Bay Company trader, had a unique perspective on the peoples and the work, and this firsthand account is a valuable artifact of the settling of the North American West by Europeans. In his own inimitable and colorful style, Ogden introduces us to the native peoples of what the Europeans named British Columbia and Washington Territory, through tales including: An Indian Festival The Burning of the Dead The Unfortunate Daughter The Shewappe Murder The Suicide s Cross The Death of our Favourite Donkey and others. Anyone interested in the history of the western U.S. and Canada will find this a fascinating book.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
