Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Superstition in Medicine What is medical superstition? By Dr. Hugo Magnus The history of medicine is closely interlinked with the development of theology. The errors of one are for the most part reflected in the mistakes of the other. No matter how obscure and dark the origin of either, whether derived from ignorance and superstition or not, the ultimate achievement alone must be taken into consideration. We do not reject chemistry because it originated in alchemy, we do not disregard astronomy because its roots are entwined with the teachings of astrology, and so in theology and medicine we look to the final issue. According to what we have stated, medical superstition might be defined as follows: Belief that the normal as well as the pathological manifestations of organic life may be explained and eventually treated, without consideration of their physical nature, by means of supernatural agencies. Medical superstition varies according to the kind and the origin of these supernatural causes, and therefore appears in the greatest variety of forms. If these causes were looked for in celestial regions,...
