SELECTION, CARE AND MANAGEMENT. Under this head we have the pleasure of submitting the views of a number of recognized authorities in the trade. The authors believe that these statements will prove interesting and instructive, more especially to those who may be engaging in the business of breeding Percherons for the first time. Edmond Perriot. -- Speaking of types of Percherons as regarded in France and by American buyers, this veteran stallioner of the Perche says: The Percheron types that we as breeders are interested in today may be divided into three classes--the type sought by Americans, the one bought by the government haras, and the type which the breeders in the Perche love to see. Regarding the last type, what we look for is a great deal of character and reproductive ability as shown in the head and neck and eye. We...
