

The Fords of Dearborn (2nd Revised edition)

By Ford R. Bryan

Ford Books. Hardback. Book Condition: new. BRAND NEW, The Fords of Dearborn (2nd Revised edition), Ford R. Bryan, Covering the period from 1820 to 1950, the time when the first Fords came to America until shortly after the death of Henry Ford, "The Fords of Dearborn" is a series of illustrated stories about the various branches of the Ford family, together with accounts of some of Henry Ford's unpublicized projects. Author Ford R. Bryan - who was himself a member of the Ford family of Dearborn - provides authentic and fascinating information about the Fords based almost entirely on information and photographs contained in the Ford Archives of Henry Ford Museum & Greenfield Village. From family bibles, family legend, correspondence, and the historical archives of Dearborn, he traces the family history from England to Ireland, then to America, and in 1832 to the wilderness of the Michigan Territory. The Fords of Dearborn includes genealogical tables and more than 125 illustrations depicting family members, their farms, their homes, and their relationships. This second edition, in a new design in larger format than the previous edition, includes an index that will be appreciated by both readers and genealogists.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
