Filesize: 1.46 MB

Reviews

Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be the best ebook for actually.
(Audra Hodkiewicz)

A PEOPLE'S HISTORY OF THE UNITED STATES. EINE GESCHICHTE DES AMERIKANISCHEN VOLKES, ENGLISCHE AUSGABE

Harpercollins US. Taschenbuch. Book Condition: Neu. 204x136x32 mm. Neuware - With a new introduction by Anthony Arrove, this updated edition of the classic national bestseller reviews the book's thirty-five year history and demonstrates once again why it is a significant contribution to a complete and balanced understanding of American history. Since its original landmark publication in 1980, A People's History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools-with its emphasis on great men in high places-to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, A People's History of the United States is the only volume to tell America's story from the point of view of-and in the words of-America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles-the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality-were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, A People's History of the United States, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. 784 pp. Englisch.
