Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This chapbook captures the pith of everyday life and molds it into crystal-clear tales. You will feel the cold of North Dakota, the heat of the South, the worms of death, and the frustrations of writing and unrequited love. When she and her friend impersonate psychiatrists, you will not be able to contain yourself over their Freudian explanation of spit. Whether or not you voted for Bill Clinton, you will be regaled in Ode to Bologna, a recitation of his many denials to the press regarding women other than Hillary. Heaven leaves you drooling over a bar-b-cue sandwich, and bequeaths a non-preachy lesson in life. Vivid images take you to a Montana farmer s life that s passing him by, a roller coaster tale of madness, the celebration of harvest, and the wonder of Southern bug noise. Creationist fans will enjoy the narrative about how angels and bees gained their wings in Legend of the Honey Bees. Even those who don t care for poetry can envision Supper with a poor neighbor, Vacation with Marilyn s family and girls wearing pearls in Debutante Tea, all stories from the Fifties and Sixties. This little book is a travelogue full of frustration and joy . a wild journey to experience and be pleasantly surprised. Recommended for book club discussions.
