Reviews

Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.

(Newton Runolfsson)

THREE MEN AND A FORESTER

Harbour. Hardcover. Book Condition: New. Hardcover. 240 pages. Dimensions: 9.0in. x 6.2in. x 0.9in.When Ian Mahood began his work for forestry magnate H. R. MacMillan in the 1950s, forest management was something less than a science. Mahoods pioneer silviculture methods were instrumental in changing the forest industrys approach to harvesting and crop management. From his early days of working as a sparkchaser on railway logging in the 1930s to stints as a Chief Executive Officer for top Canadian and international forest companies, Ian Mahood was a close inside observer of the forest industry. Now he brings his expertise to this biting indictment of a forest management policy gone astray. His story, a detailed examination of the industry spiced with personal anecdotes and incisive observations, questions the logic of the controversial Tree Farm Licence system. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
